

Dear Friend:

The Violette de Mazia Foundation is pleased that you are interested in partnering with us. The attached Request to Partner form has been designed to provide us with basic information to begin the process of making a decision. We look forward to working with organizations where we can provide rich and unique opportunities for students.

To begin the process of requesting a Young Person's Aesthetic Education Program in your school or organization, please complete the Request to Partner form. You may e-mail this form to @demazia.org, fax it to 610-971-9961 or mail it to 400 E. Lancaster Ave., Suite 204, Wayne, PA 19087. The request will be reviewed by an advisory board where a decision will be made and written notification will be sent. Once your program is approved, a meeting will be set up with your organization.

We invite you to complete the attached form and explore a possible partnership with the Violette de Mazia Foundation. Our courses teach students of all ages an approach to visual understanding that provides them with a unique lens for interpreting, understanding, and communicating what they experience. With the current level of funding cuts in arts programming, we are proud to be able to provide arts education to young people throughout the region.

Sincerely yours,
